Dear Recipient:

This addendum provides updated guidance to note that the NTCA annual conference has been changed to a virtual format and will be held over several weeks in September in October 2020. The meeting will consist of a series of 7 to 8 individual webinars, each 1.5 to 2-hours in duration. The guidance and reminder that recipients under the subject cooperative agreement shall ensure that at least one key individual from their program attend the meeting remains the same. Travel prohibitions should not apply for a virtual meeting.

If you have any questions on this matter, please contact Mr. Romero Stokes, Grants Management Specialist at (770) 488.2075 or lnj0@cdc.gov.
